Pauletta,

I know you will be in the office today from 1:00 to 4:00 PM and we have an Omaha meeting scheduled for 2:00 to 3:00 PM today.

Would you be able to meet with Dan sometime this afternoon to provide him with an update on the MEW site. I would also like for you to provide a brief written update for him before you leave and also send him any draft work you have completed on the Five-Year Review.

I also understand that you are planning to be in the office all day on 3/26 and 3/31 if this afternoon does not work for you and Dan.
